

BIOMEDICAL RESEARCH AWARENESS DAY

What?

Learn about how the responsible care of lab animals helps Wash U researchers advance the leading edge of science, and pledge your support for the humane use of animals in research at a lunch talk by Dr. Jenny Kalishman and Dr. Mary Ellenberger of WUSM's Division of Comparative Medicine.

When?

**April 19, 2017
12pm-1pm**

Where?

**FLTC 302
WUSM**
